Conservation of buildings, artifacts, structures, areas and precincts of Historic and/or aesthetic and/or architectural and /or cultural significance (Heritage buildings and heritage precincts) and/or natural features of environment significance.

5.1 APPLICABILITY AND GENERAL

- These regulations shall apply to heritage sites which shall include those buildings, artifacts, structures, streets, areas and precincts of historic, architectural, aesthetic, cultural or environmental value (hereinafter referred to as Listed Heritage Buildings/Listed Heritage Precincts) and those natural feature areas of environmental significance or of scenic beauty including, but not restricted to, sacred groves, hills, hillocks, water bodies (and the areas adjoining the same), open areas, wooded areas, points, walks, rides, bridle paths (hereinafter referred to as 'listed natural feature areas') which shall be listed in notification(s) to be issued by the State Government/identified in Master Plan or any other plans notified by the Authority.
- The provisions in this chapter are beyond the regulations applicable on the Prohibited and Regulated areas as defined by Ancient Monuments and Archaeological Sites and Remains (AMASR) Act 2010, where site specific Heritage Bye-Laws are prepared and notified by the Competent Authority (National Monuments Authority) under the AMASR Act shall be applicable.
- NOC shall have to be obtained by submission of required documents as may be necessary, including "Heritage Impact Assessment report", if so necessitated by the National Monuments Authority.

5.2 RESPONSIBILITY OF THE OWNERS OF HERITAGE BUILDINGS

It shall be the duty of the owners of heritage buildings and buildings in heritage precincts or in heritage streets to carry out regular repairs and maintenance of the buildings. The State Government/Local Authority/Development Authority concerned shall not be responsible for such repair and maintenance except for the buildings owned by the Government/Local Authority/Development Authority.

5.3 RESTRICTIONS ON DEVELOPMENT / RE-DEVELOPMENT / REPAIRS ETC.

- No development or redevelopment or engineering operation or additions / alterations, repairs, renovations including painting of the building, replacement of special features or plastering or demolition of any part thereof of the said listed buildings or listed precincts or listed natural feature areas shall be allowed except with the prior permission of Local Authority/Development Authority.
- Before granting such permission, the agency concerned shall consult the Heritage Conservation Committee to be appointed by the State Government and shall act in accordance with the advice of the Heritage Conservation Committee.
- a) Provided that, before granting any permission for demolition or major alterations/additions to listed buildings (or buildings within listed streets or precincts), or construction at any listed natural features, or alteration of boundaries of any listed natural feature areas, objections and suggestions from the public shall be invited and shall be considered by the Heritage Conservation Committee.
- b) Provided that, only in exceptional cases, for reasons to be recorded in writing, Local Authority/Development Authority may refer the matter back to the Heritage Conservation Committee for reconsideration.
- c) However, the decision of the Heritage Conservation Committee after such reconsideration shall be final and binding.

5.4 PENALTIES

- Violation of the regulations shall be punishable under the provisions regarding unauthorized development under the provisions of the respective Acts of Local Authority/Development Authority. In case of proved deliberate neglect of and/or damage to Heritage Buildings and Heritage Precincts, or if the building is allowed to be damaged or destroyed due to neglect or any other reason, in addition to penal action provided under the concerned Act, no permission to construct any new building shall be granted on the site if a Heritage Building or Building in a Heritage Precinct is damaged or pulled down without appropriate permission from Local Authority/Development Authority.
- It shall be open to the Heritage Conservation Committee to consider a request for rebuilding/reconstruction of a Heritage Building that was unauthorized demolished or damaged, provided that the total built-up area in all floors put together in such new construction is not in excess of the total built-up area in all floors put together in the original Heritage Building in the same form and style in addition to other controls that may be specified.

5.5 PREPARATION OF LIST OF HERITAGE SITES INCLUDING HERITAGE BUILDINGS, HERITAGE PRECINCTS AND LISTED NATURAL FEATURE AREAS:

- The list of heritage sites including Heritage Buildings, Heritage Precincts and listed Natural Features Areas is to be prepared and supplemented by the Local Authority/Development Authority on the advice of the Heritage Conservation Committee and shall obtain the preliminary approval of the Government.
- Before being finalized, objections and suggestions of the public are to be invited and on the recommendation of the Heritage Committee on the objections and suggestions, the

Government shall accord the final approval of the list heritage of sites including Heritage Buildings, Heritage Precincts and listed Natural Features Areas which shall be notified.

- The said list to which the regulation applies shall not form part of this regulation for the purpose of Building Rules.
- The list may be supplemented from time to time by Government on receipt of proposal from the agency concerned or by Government suo-moto provided that before the list is supplemented, objections and suggestions from the public be invited and duly considered by the State Government after obtaining a detailed recommendation from the Heritage Conservation Committee on the objections and suggestions received.
- When a building or group of buildings or natural feature areas are listed, it would automatically mean (unless otherwise indicated) that the entire property including its entire compound/plot boundary along with all the subsidiary structures and artifacts etc. within the compound/plot boundary, etc. shall form part of list.

5.6 ALTERATION/MODIFICATION/RELAXATION IN DEVELOPMENT NORMS

On the advice of the said Heritage Conservation Committee to be appointed by the Government and for reasons to be recorded in writing, the Local Authority/Development Authority shall follow the procedure as per Development Authority Act, to alter, modify or relax the Development Control Norms prescribed in the Master Plan, if required, for the conservation or preservation or retention of historic or aesthetic or cultural or architectural or environmental quality of any heritage site.

5.7 HERITAGE PRECINCTS / NATURAL FEATURE AREAS

- In cases of streets, precincts, areas and (where deemed necessary by the Heritage Conservation Committee) natural feature areas notified, development permissions shall be granted in accordance with the special separate regulation prescribed for respective streets, precincts/natural feature areas which shall be framed by the Local Authority/Development Authority on the advice of the Heritage Conservation Committee.
- Before finalizing the special separate regulations for precincts, streets, natural features, areas, the draft of the same shall be published in the official gazette and in leading newspapers for the purpose of inviting objections and suggestions from the public.
- All objections and suggestions received within a period of 30 days from the date of publication in the official gazette shall be considered by the Local Authority/Development Authority/Heritage Conservation Committee.
- After consideration of the above suggestions and objections, the agency concerned, acting on the advice of the Heritage Conservation Committee shall modify (if necessary) the aforesaid draft separate regulations for streets, precincts, areas and natural features and forward the same to Government for notification.

5.8 ROAD WIDENING

Widening of the existing roads under the Master Plan or Town/Zonal Development Plan or in the Layout Plan shall be carried out considering the existing heritage buildings (even if they are not included in a Heritage Precinct) or which may affect listed natural features areas.

5.9 INCENTIVE USES FOR HERITAGE BUILDINGS

In cases of buildings located in non-commercial use zones included in the Heritage Conservation List, if the owner/owners agree to maintain the listed heritage building as it is in the existing state and to

preserve its heritage state with due repairs and the owner/owners/lessees give a written undertaking to that effect, the owner/owners/lessees may be allowed with the approval of the Heritage Conservation Committee within permissible use zone to convert part or whole thereof of the non-commercial area within such a heritage building to commercial/office use/hotel. Provided that if the heritage building is not maintained suitably or if the heritage value of the building is spoiled in any manner, the commercial/office/hotel use shall be disallowed.

5.10 MAINTAINING SKYLINE AND ARCHITECTURAL HARMONY

After the guidelines are framed, buildings within heritage precincts or in the vicinity of heritage sites shall maintain the skyline in the precinct and follow the architectural style (without any high-rise development) as may be existing in the surrounding area, so as not to diminish or destroy the value and beauty of or the view from the said heritage sites. The development within the precinct or in the vicinity of heritage sites shall be in accordance with the guidelines framed by the Local Authority/Development Authority on the advice of the Heritage Conservation Committee or separate regulations/guidelines, if any, prescribed for respective zones by Local Authority/Development Authority.

5.11 RESTRICTIVE COVENANTS

Restrictions existing as imposed under covenants, terms and conditions on the leasehold plots either by the State Government or by the Local Authority/Development Authority shall continue to be imposed in addition to Development Control Regulations. However, in case of any conflict with the heritage preservation interest/environmental conservation, this Heritage Regulation shall prevail.

5.12 GRADING OF THE LISTED BUILDINGS / LISTED PRECINCTS

- Listed Heritage Buildings/Listed Heritage Precincts may be graded into three categories.
- The definition of these and basic guidelines for development permissions are as given below.
- Listing does not prevent change of ownership or usage.
- However, change of use of such Listed Heritage Building/Listed Precincts is not permitted without the prior approval of the Heritage Conservation Committee.
- Use should be in harmony with the said listed heritage site.
